## User's Guide to the Subject Index

1. **Legislative studies:** Studies by legislative committees (or other bodies with legislative members) are entered under Legislative Affairs: Committee Studies, and under a subject entry as well.
2. **Non-legislative studies:** Studies by non-legislative entities are entered in a subject section, but not under the agency conducting the study.
3. **Departmental entries:** Only bills directly affecting the organization and management of a department appear under the department/office entry. All programs and other responsibilities of departments are located under the subject heading(s). Administrative rule legislation appears under Administration: Procedure.
4. **Parish/Municipalities topics:** Most bills dealing with parishes and municipalities are entered under a specific subject heading but not under Parishes or Municipalities.
5. **Retirement systems:** Bills about the various retirement systems are only indexed under Retirement. For example, bills dealing with firefighters' retirement will not appear under Fire Protection & Officers.
6. **Supplemental Pay:** Bills about supplemental pay will only appear under Governmental Finance. There will be no separate subject entry.
7. **Appropriations:** Bills that actually make an appropriation will only appear under the Appropriations heading.
