

Regular Session, 2009

HOUSE BILL NO. 521

BY REPRESENTATIVE LAFONTA

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

BOARDS/COMMISSIONS: Creates an advisory council to propose ways to eliminate obstacles to the effective delivery of governmental services to Latin Americans

1 AN ACT

2 To enact Chapter 19 of Title 49 of the Louisiana Revised Statutes of 1950, to be comprised
3 of R.S. 49:1221 through 1223, and R.S. 36:4(AA) and 917, to create an advisory
4 council in the governor's office to identify obstacles to the effective delivery of
5 governmental services to Latin Americans and to make recommendations for
6 removal of such obstacles; to provide for membership on the council; to provide for
7 its powers and duties; and to provide for related matters.

8 Be it enacted by the Legislature of Louisiana:

9 Section 1. Chapter 19 of Title 49 of the Louisiana Revised Statutes of 1950,
10 comprised of R.S. 49:1221 through 1223, is hereby enacted to read as follows:

11 CHAPTER 19. LOUISIANA COUNCIL ON THE PROVISION OF
12 GOVERNMENTAL SERVICES TO LATIN AMERICANS

13 §1221. Legislative findings

14 A. The legislature recognizes that there has been a dramatic increase over the
15 past five years in the number of first and second generation Latin Americans who
16 have made a home in Louisiana; this change is reflected in the forty-five percent
17 increase in the Hispanic population of Louisiana between 2000 and 2007 according
18 to the Pew Hispanic Center's tabulations of United States census data.

19 B. The legislature further recognizes that residents who have recently arrived
20 from Central and South America were and continue to be instrumental in the state's

1 efforts to rebuild infrastructure and communities that were decimated by Hurricane
2 Katrina and the other catastrophic hurricanes that have hit Louisiana.

3 C. The legislature further recognizes that there are particular challenges
4 associated with delivering government services to these recent arrivals; challenges
5 that stem from a lack of awareness of the availability of services, language barriers,
6 and other real world complexities.

7 D. The legislature further recognizes that this nation and its individual states
8 have been overcoming such challenges throughout our history; we have always been
9 a nation comprised of people of many cultures.

10 E. The legislature concludes from these findings that, at this point in history,
11 the state has an obligation to make a concerted effort to reach out to these newly
12 arrived residents of our state, many of whom have been so crucial to our survival of
13 recent tragedies, to make sure they have access to all of the guidance and assistance
14 the legislature intends to be made available to all residents of the state.

16 Americans; creation; domicile; membership
