

New law makes technical corrections in provisions of the La. Revised Statutes, including corrections in legal citations, corrections in names of agencies, officers, and other entities, removal of references to agencies and other entities that have otherwise been repealed or no longer exist, placement of agencies in appropriate listing for each department in Title 36 (executive branch organization), and conforming changes to clarify potentially conflicting language.

New law specifies that "sunset bills" from the 2012 legislative session will not continue any legislative authority repealed by the Act.

Effective July 1, 2012, except repeal of provisions for Interagency Task Force on the Future of Family Medicine is effective September 1, 2012 (the date the provisions terminate as provided in existing law).
